DEPARTMENT OF MBA
MIST MANAGEMENT CLUB

Introduction

MBA, is a professional course, where in students acquire the theoretical knowledge through class room setting. Today's market is characterized by competition and looking for candidates beyond technical knowledge. Further it requires them to acquire skills to impart their knowledge in real world. For this real time experience the department going to start a management club.

The Management Club was formed for the purpose of building a network among MBA students, especially the fresher's and their immediate seniors. This club provides a chance for students to interact with fellow students, faculty, business leaders, and the surrounding community. The club offers a series of activities to address Communication skills, Interpersonal skills, the ability to work in team, leadership skills, negotiation skills, thinking skills such as innovation and creativity, personality development, professional and business issues that are not generally included in the formal program but are critical to the overall MBA experience. Guest Faculty is invited to update the knowledge and skills of MBA students, students get an opportunity to interact with the budding entrepreneurs.

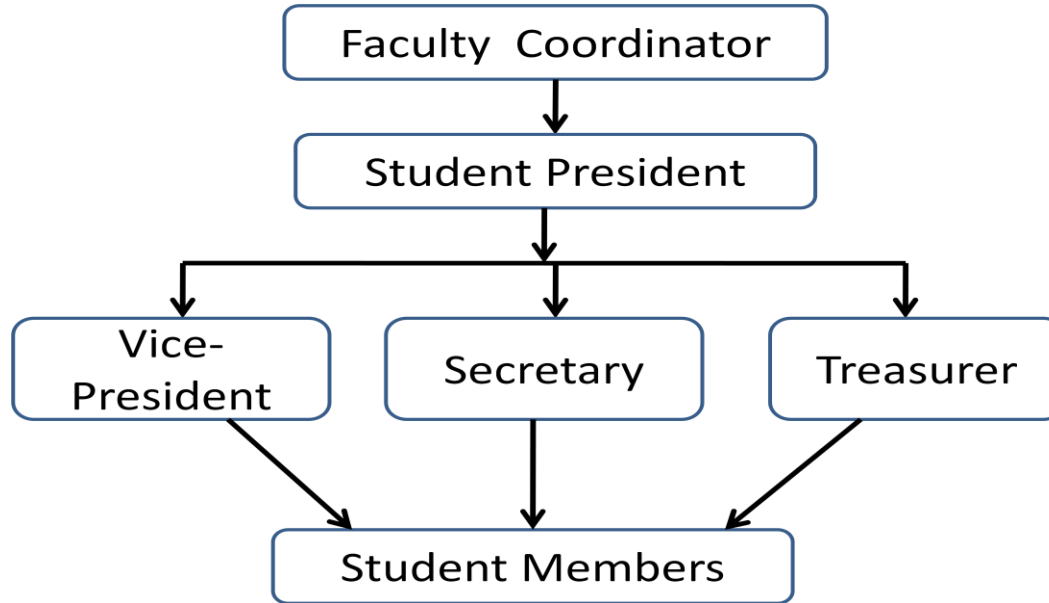

Objectives of Management Club

1. To impart skills for development and enhancement of personality of students.
2. To improve communication skills and decision making power.
3. To enhance spirit of competition among students.
4. To increase awareness regarding business world.
5. To enhance the participation level among students.
