on 04-03-23

Resolution: The R&D cell Unanimously
confirm the Minutes of the last meeting
of Research & Development cell held
on 04-03-23

Agenda 2: To support the action taken on the
discussion of last meeting on

Resolution: The action taken on the resolution
of last meeting are approved.

Agenda 3: Approval of incentives for faculty
Research publications.

Resolution: The following faculty members
are published research articles in
different Journals.

The details are given below.

1. Dr SK. Jateer Hussain, Department of
Mechanical Engineering, was published
in the Materials today proceedings

Title of the paper is "Experimental chatter process stability using end milling process on Al6061 alloy with multiple bearing span conditions"

The Committee Unanimously approved an incentive of Rs-5000/-

2. Dr. G. Hanikrishna, Department of EEI, was published a research article in the Journal of Harbin Engineering University. Title of the paper is "High-Power Converter Based on the Wide Band Gap power Semiconductor Devices for Electrical Drive"

The Committee Unanimously approved an incentive of Rs-5000/-

3. Dr. SK. Jaleel Hussain, Department of Mechanical Engineering was published a research article in the Materials Today proceedings. Title of the paper is "Investigation of the cutting-edge radius size effect on dynamic forces in micro end milling of brass 260"

The Committee Unanimously approved an incentive of Rs-5000/-

Agenda: 4 Approval of incentives for faculty for attending FDPs (or)

Conferences and for completion of NPTEL Courses etc

Resolution: The following faculty were completed the NPTEL courses. The details are given below.
