01 contd from page 03.

Agenda 1: Defining functions of Internal compliance committee.

Resolution: The internal compliance committee unanimously resolved the following functions to take care in the institution:

(i) creates awareness about the internal compliance committee cell among the institute academic and administrative units.

(ii) promotes effective communication and collaboration among those responsible for compliance.

(iii) ensures that the complainant and witnesses are not victimized or discriminated because of their complaint.

(iv) encourages an open dialogue with the complainant from the committee members.

(v) monitors emerging compliance trends and circulate the information as needed.

(vi) serves as a resource in developing or improving compliance related processes.

(vii) works with the university policy Review committee to ensure proper reporting of the complaints and their follow-up procedures.

(vii) makes recommendations to senior management as to any resources or actions.

The meeting was concluded as there are no other points to discuss.
